

What is DiSC® Management?

The Everything DiSC® Management Profile offers participants insight into their strengths and challenges as managers, and how to adapt their style to meet the needs of the people they manage—making them more effective managers. Participants learn how their management style influences how they manage time, make decisions, approach problems, and what they need to do to adapt to the styles of others to bring out the best in each and every employee in their charge.

Why choose DiSC® Management?

The Everything DiSC® Management Profile is proven to increase the effectiveness of anyone in a management role--whether managing direct reports or the relationship with their own manager. Participants deepen their understanding of themselves, their direct reports, and their own managers using the DiSC® model while learning how their management style influences their approach to decision-making, time management, and problem solving.
